***Don't Just Survive...Learn to Lead and Train to WIN!***

Two of the most recognized women leaders in law enforcement have teamed up to bring an exciting day of training and inspiration to the police profession. **Sergeants Betsy Smith and Nancy Fatura** will lead students through 8 hours of intensive, interactive training that will inspire, inform, and provide students with information they can use immediately to improve and enhance both their professional and personal lives. This program is the culmination of over 25 years of research and experience brought to you by the veteran trainer who created the original “*Street Survival for Women.*” Constantly updated, our philosophy of ‘teaching by storytelling’ cites inspirational examples of courageous men and women, including Sgt. Fatura’s personal story of resiliency and triumph. This class will inspire, motivate, and encourage women not just to survive, but to **WIN** in every aspect of life.
